Directions

From Osoyoos, head north on Hwy 97 towards Oliver or Kelowna. Turn left on 146th street (there is a sign for the Desert Centre) and continue up the hill until you see the centre on the left hand side.

From Penticton or Oliver, head south toward Osoyoos. As you are nearing Osoyoos, turn right onto 146th street (there is a sign for the Desert Centre) and continue up the hill until you see the centre on the left hand side.

Public Tour Information:

During May to October, a guided tour takes you along a one and half kilometre boardwalk trail that winds through the arid shrubs and grasses to four interpretive kiosks. You will learn about desert ecology, ecological restoration and the conservation of this threatened and fragile ecosystem. Tours last about an hour. Self guided tours are also available.

Current tour times: The Desert Centre will open on April 27 2008
Please call 1-877-899-0897 or (250)495-2470 for current tour times.
